Dear Mr. Christopher R. Diaz:

Greetings from Human Nature!

Human Nature is a social enterprise and is the fastest growing natural personal care brand in the Philippines. Established in 2009 under Gandang Kalikasan, Inc., Human Nature has since been committed to its philosophy of being **pro-Philippines, pro-poor, and pro-environment**. Through partnerships with Gawad Kalinga and other groups we are committed to providing opportunities to the poor, especially the farmers, by buying their produce and using them as ingredients for safe and natural personal care products.

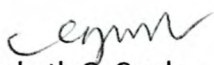

As the new school year is about to begin this June and August 2019, we are glad to create a special partnership with the schools in Cavite to create awareness about the importance of protecting our environment and improve our health conditions through the use the natural products.

We would like to seek for your kind support and endorsement so that Human Nature Imus can manifest our advocacy and open doors of healthy lifestyle and wellness program for students, teacher, and staff of the different private and public schools in Dasmariñas.

Thank you very much and we are looking forward to a more fruitful partnership with your office and affiliates. Should you wish to clarify about certain concern on our intent and advocacy, we will be happy to attend to you through our contact numbers 046-5296955 / 0977-8017485, 0916-328-5378 and through our email address imus@humanheartnature.com

Warm regards,

Elizabeth G. Crudo
